

IN THE UNITED STATES DISTRICT COURT
FOR THE DISTRICT OF DELAWARE

C.A. 06-462

To the Honorable Judge,

I am writing to apologize and explain why the response is a couple of days late. I was in the hospital and sick in the last three weeks. Enclosed is the release instructions from Christiana Hospital. (I crossed out confidential information.) Also, I enclosed a note from my primary care physician. Then, a friend was supposed to drive me from Rehoboth Beach to Wilmington to clock it in on Tuesday, January 22, 2008. That didn't happen. Therefore, I mailed it. Thank for taking this letter into consideration.

As of now, I am not allow to drive due to a medical condition.

I am sorry it is a couple days late.

Sincerely,

Christina Paoli

CONTINUE YOUR CURRENT MEDICATIONS AS PRESCRIBED BY YOUR PRIVATE PHYSICIAN(S) UNLESS OTHERWISE INSTRUCTED BY YOUR EMERGENCY DEPARTMENT PROVIDER HERE TODAY.

_____ a fairly common disorder, affecting about 1 out of 50 persons. The many causes include alcohol or drug abuse, fainting, infection, head injury, and low blood sugar. No definite cause is found most of the time. _____ do not affect intelligence, except in rare cases. The most common reason for a seizure in a person with a known seizure disorder is failure to take medications as prescribed.

_____ you will need an EEG, or brain wave test. This is usually done later, as an outpatient. Laboratory and other tests may be needed also.

_____ should be followed by a personal physician. _____ medications are usually effective in controlling _____. Finding the right medication and the right dose requires close co-operation between patient and doctor. Blood levels of the drugs are usually needed from time to time to prevent toxic side effects.

*** IT IS THE EMERGENCY DEPARTMENTS PRACTICE AS REQUIRED BY STATE LAW
 _____ TO THE DELAWARE DEPARTMENT OF MOTOR VEHICLES.
